

Classic

The original. Two thoughtful layers.

Our original fabric pot combines a breathable outer fabric with an inner Aqua Breathe layer. From small herbs to large planting projects, Classic gives roots room to develop.

Product photographs illustrate the range; proportions vary by size.

Tent Net Kit

Support the branches of your plants.

A horizontal support net for training and supporting plants in grow tents with sides up to 120 cm. Two fastening variants fit poles from 15 to 22 mm in diameter.

Product photographs illustrate the range; proportions vary by size.

Variant	Dimensions	Mesh size	Product code	EAN
Ø15–18 mm	110 × 110 cm	10 × 10 cm	NET12016	5949064300150
Ø19–22 mm	110 × 110 cm	10 × 10 cm	NET12021	5949064300167

Dimensions follow the order used in the Gronest catalogue.

The documents list Gronest product dimensions, volumes and codes. Codes that are unpublished or need confirmation are marked in the documents.

Bending Clips

Guide each branch towards the light.

Reusable clips help guide branches and open up the plant canopy. A simple way to encourage light penetration and airflow around lower growth.

Product photographs illustrate the range; proportions vary by size.

Variant	Clips / bag	Units / box	Product code	EAN
Ø6 mm	25	150	BND252	5949064300174 To be confirmed

Dimensions follow the order used in the Gronest catalogue.

Please confirm the EAN with Gronest before ordering.

The documents list Gronest product dimensions, volumes and codes. Codes that are unpublished or need confirmation are marked in the documents.

Tomato Clips

Secure and guide plant stems.

Plant support clips guide the stem while helping to avoid pinching and damage to the growing tip. Their design keeps leaves in their natural position.

Product photographs illustrate the range; proportions vary by size.

Variant	Clips / bag	Units / box	Product code	EAN
Ø21 mm	25	150	TMO2501	5949064300174 To be confirmed

Dimensions follow the order used in the Gronest catalogue.

Please confirm the EAN with Gronest before ordering.

The documents list Gronest product dimensions, volumes and codes. Codes that are unpublished or need confirmation are marked in the documents.

Block Covers

Less light on the growing medium.

Covers for rockwool blocks and other growing media in hydroponic systems. They block light from reaching the substrate surface, helping limit algae growth.

Product photographs illustrate the range; proportions vary by size.

Variant	Units / box	Product code	EAN
Ø11.5 cm	2000	Not listed	Not listed
Ø15 cm	1800	Not listed	Not listed
Ø22 cm	1500	Not listed	Not listed

Dimensions follow the order used in the Gronest catalogue.

The documents list Gronest product dimensions, volumes and codes. Codes that are unpublished or need confirmation are marked in the documents.

Fabric Pot Covers

A little cover. Everyday protection.

Reusable covers for fabric pots protect the substrate surface and provide additional insulation. The permeable material allows water and fertilizer through.

Product photographs illustrate the range; proportions vary by size.
